

COLT helps families in Cambodia, will you help COLT?

In 2016 COLT community centre opened its doors. It is located on the outskirts of Phnom Penh, near the dumpsite of the city and is surrounded by a number of poor villages.

COLT supports children, their families, students and the elderly with education, medical and social care, day care and sports activities. We cannot do this alone, we need your help. By making a regular, monthly donation you give children and their families a chance to build a better life. You can help in many ways!

Your contribution is most welcome, how can you help?

- Become a **rice sponsor**; for €5 a month you can provide rice for one child.
- Become a **medical sponsor**; for €10 a month you can provide medical help for one child.
- Become a **school sponsor**; for €15 a month you can provide education at the COLT community school for two children.
- Become a **staff sponsor**; for €20 a month you can ensure that qualified staff is hired, teachers, medical workers and social workers.
- Become a **parent-child sponsor**; for €25 a month you can ensure that one child can attend the day care centre and the parents can receive support and education

You can make your monthly donations to

Stichting COLT Cambodia

IBAN NL81 RABO 0120 0249 42

Remark: rice-/ medical-/ school-/ parent-child sponsor
